TAPESCRIPT

Hello, my name is Scarecrow. I live in the Land of the Munchkins and I want to be your friend. I don't really like my job because I am very friendly and I don't like scaring the birds. I can't change jobs because I am not very clever. You see, I don't have a brain. I am going to the Emerald City to ask the Wizard of Oz for his help.

TAPESCRIPT

- D: So Scarecrow, is your job very boring?
S: It's not boring at all. In fact I do a lot of different things. Can you

- keep a secret?
D: Yes, of course. So what do you do all day?
S: Well, when the farmer leaves in the morning I always wait for five minutes before I get off my post. I like reading about what is happening in the news, so I often read the farmer's newspaper, The Munchkin Times. After I finish the newspaper, I sometimes practice the violin, I am learning the play and I love it. It's such a beautiful musical instrument. Then in the afternoons, I usually go to see some of my friends in the area. There are lots of scarecrows here, you know.

- D: How do you travel around? Do you drive?

- S: Oh no I never drive! The farmer has a big tractor, but I don't like it. It's too noisy and there's always a lot of smoke. I usually ride my bicycle.

- D: What do you and your friends usually do?

- S: Some of my friends like sports, so they often play tennis. I hardly ever play because I don't really like tennis. I usually play some card games with three or four friends. We can talk at the same time.

- D: What about when it is very hot and sunny, do you sunbathe?

- S: But Dorothy, I never sunbathe because it is very dangerous for scarecrows. I'm very afraid of it because I don't want to catch fire.

TAPESCRIPT

Hello, I'm the Tin Woodman! I live in a little house in the forest. I have a tin body and I carry an ax because I cut down trees. I have an oil can, too because I must put oil on my arms and legs. I'm sad because I don't love anyone.

Hello, I'm the Lion! I live in the forest with other animals. I'm scary because I'm big. I have a big mouth, long teeth and a long tail. I am very strong and can carry people on my back I make a lot of noise but I don't bite anyone because I'm afraid!

TAPESCRIPT

Where do lions live?

Most lions today live in parts of Africa. Lions like areas with lots of grass.

How many lions are there in the world?

Today there are about 20,000 lions in Africa.

How long do they live?

In captivity lions can live for about 25 years. In the wild they usually only live for about 8 to 10 years.

How do they live?

Lions are social animals and they live in groups, called a pride. Some prides are very small and some are very big, most have about 15 lions.

What differences are there between males and females?

Male lions have long hair around their face, called a mane. Male lions protect the pride when the female lions look for food.

How big are they?

An adult male can be about 2 metres long and can weigh from 170 to 230 kilograms.

An adult female is smaller at about 1.5 metres long and with a weight of about 120 to 180 kilograms.

How often do they have cubs?

Lions in captivity can have cubs every year, but lions in the wild usually have cubs only every two years. The lioness can have from one to six cubs at a time.

TAPESCRIPT

D: Dear great Oz, please tell me. How can I make a very big head?

W: First you must use lots and lots of paper and with some water you can make a very big ball.

D: How do you make the face?

W: Well, you paint separate pieces of paper and you put them in the correct places.

D: How does the eyes and the mouth move?

W: Well you use string or some cord or cotton to pull the eyes and the mouth. I sit on the balcony and do this.

D: What do you do to make the head speak?
