

The Zodiac Race

Dylan the Dog

Into the dark forest,
and across the stream.

Those who can fly?

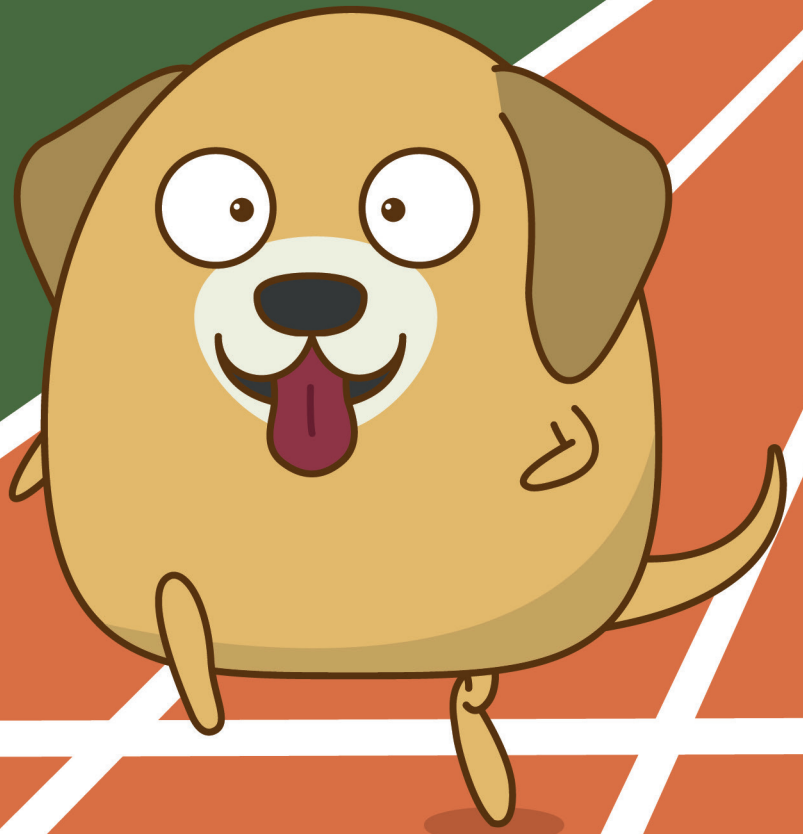

Or those who can run?

Dylan the Dog was sporty and fast,
He played different games, and had such a blast!

The contests he joined
were packed full of fun,
But the thing he loved most
was to have a good run.

So the zodiac race was perfect for him,
He could jog all day, and even go for a swim!
