

The Zodiac Race

Henri the Horse

W C Jefferson

T F Wister

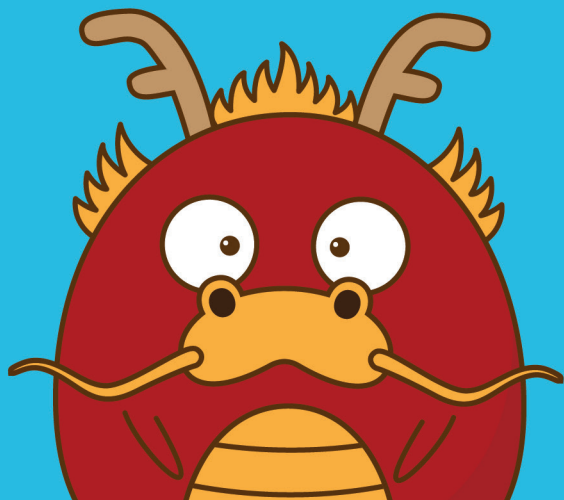

QX PUBLISHING CO.

Into the dark forest,
and across the stream.

Those who can fly?

Or those who can run?

Henri the Horse loved studying the past,
To read old books with knowledge so vast.

He wanted to learn about this zodiac race,
But there were no records, not a single trace.

“This is one of a kind,
the very first race!
I would love to get
my own zodiac place!”
