

The Zodiac Race

Maxi the Monkey

W C Jefferson

T F Wister

QX PUBLISHING CO.

Maxi the Monkey was active and quick,
He would run and climb, and then jump and kick!

He liked to dance, and he could really sing,
But being focused just wasn't his thing.

If he could do many things, why do just one?
And so he played all day and had lots of fun!

Maxi loved the idea of a zodiac race,
Being so fast, he ought to get first place!
