Ollie the Ox was a hardworking soul,

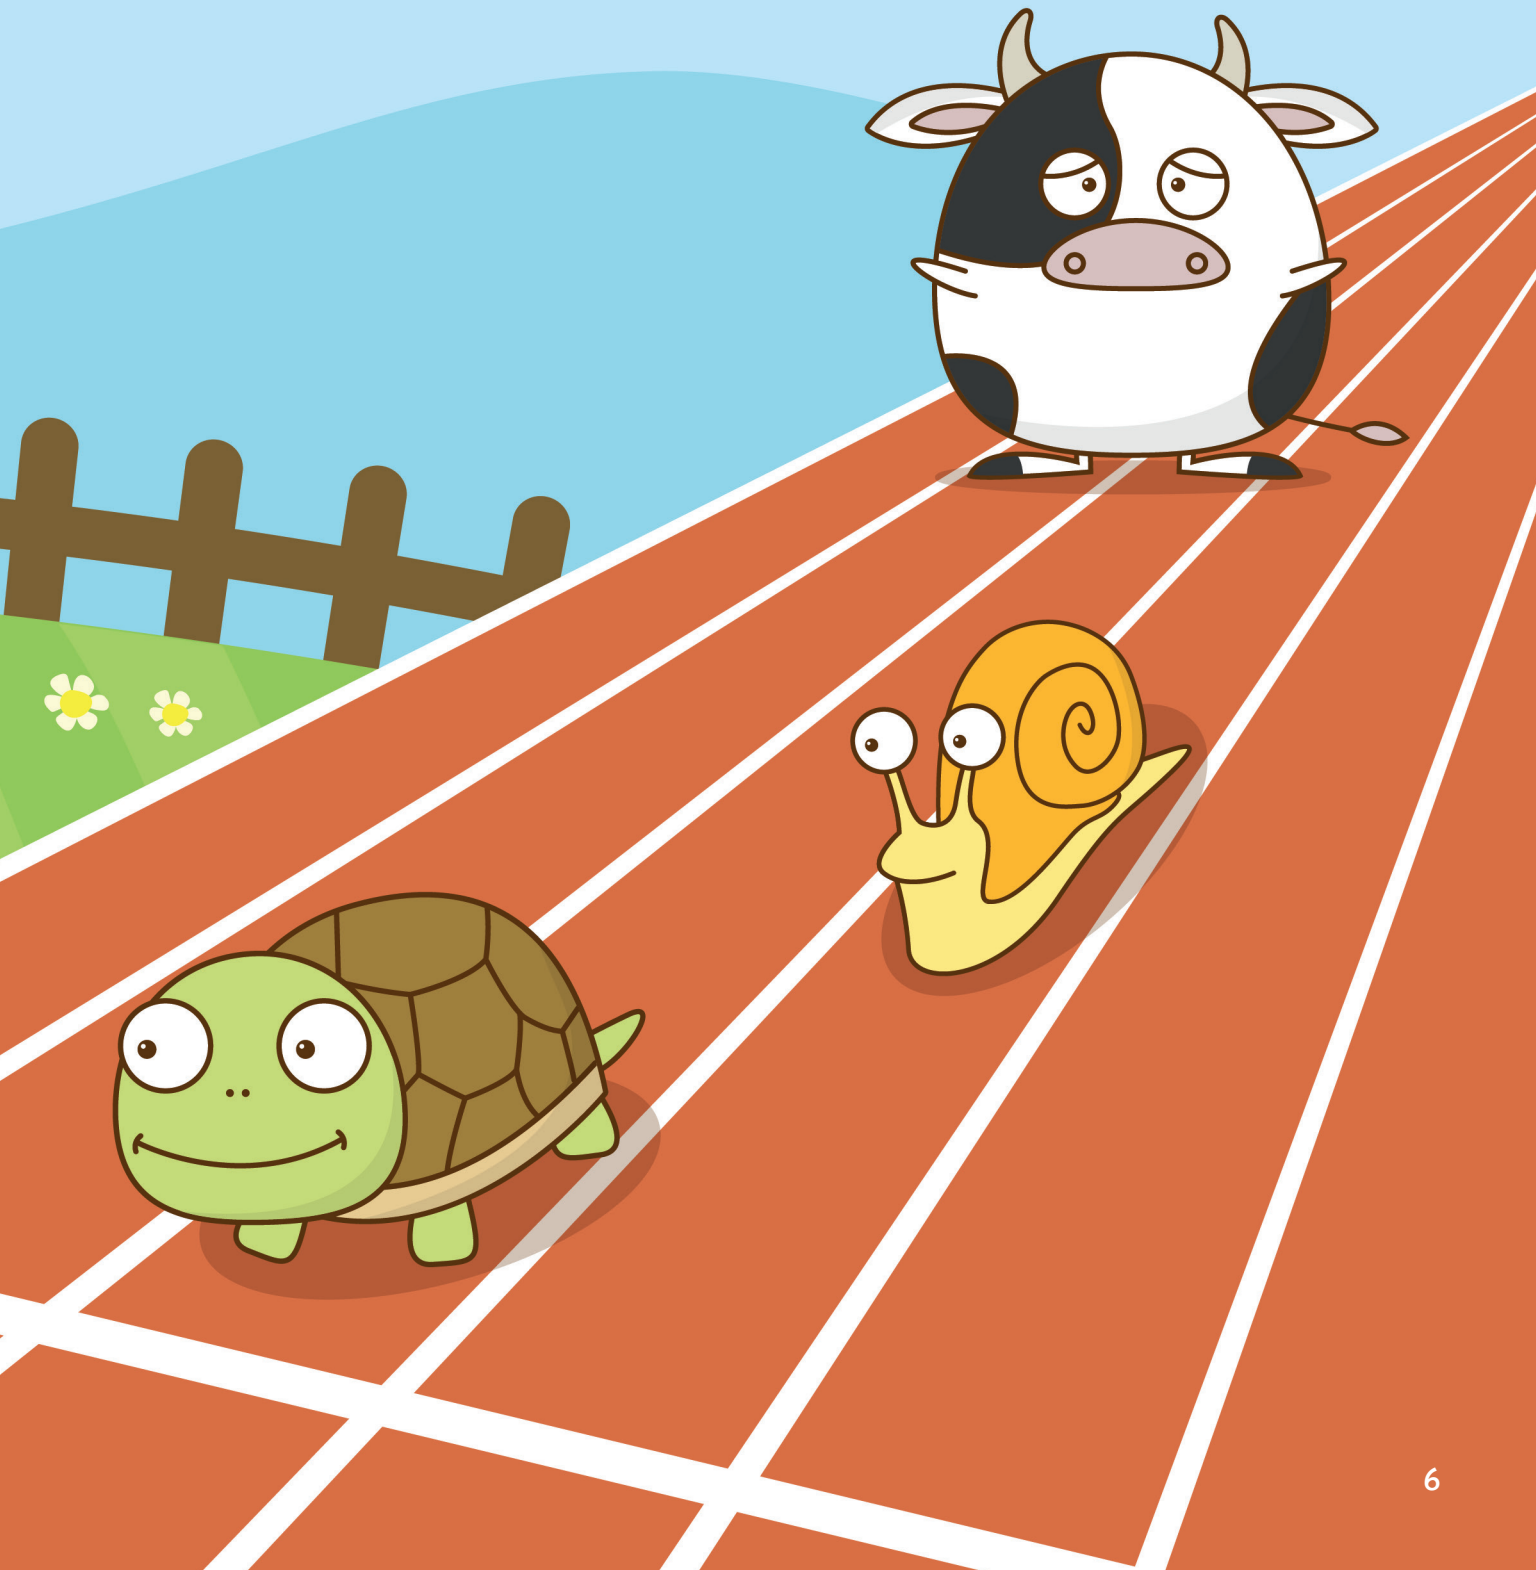

He always tries his best to reach his goal.

He was powerful, strong and mighty indeed,

Yet what he had in strength, he lacked in speed!

How can Ollie win the zodiac race,
When he can only run at such a slow pace?

Then Riley the Rat and Josie the Cat,
Went over to Ollie's for a friendly chat.

“Please will you help us?”

Riley kindly asked.

“Because we can't swim,
we're sure to be last!”
