QX PUBLISHING CO.

Paolo the Pig really loved to eat,
From snacks to fruits to anything sweet!

He liked eating contests,
and he joined them all,
Paolo ate so much
he was fat like a ball!

But what did he do after eating all day?
He went home and slept, instead of going out and play!

“I sleep like a pig, and eat like one too,
But I AM a pig, so that’s nothing new!”
