QX PUBLISHING CO.

Sammi the Snake wanted a zodiac place,
That was her reason for joining this race.

Snakes can be slow as they only crawl,
Sammi's friends thought she couldn't finish at all.

They told her to stay home, safe underground,
The race was too long, with dangers abound.

“The mountains are tall.
How will you climb?”

“The sun is so hot!
You’ll be toast in no time!”
